GRAND PRIZE FREE 4 DAY 5 NIGHT RETURN TRIP TO EL SALTO!

ANGLERS! Join us as we return for our 6th Annual trip to the Mexican bass capital Lake El Salto. This will also be our 2nd Annual Bass Tournament. Lake El Salto has stood the test of time and is by far still the most productive largemouth bass fishing lake in Mexico and possibly the Western Hemisphere. Last year our group of 22 anglers caught and released 2346 bass during our four day fishing tournament. That number included 59 bass that topped 5 lbs or better. Eight fish weighed in excess of 7 lbs. Top fish of the week was caught by Southern California angler Dave Shearer at 9.41 lbs who also won a free return trip. Dave is anxious to defend his title in 2016.

This trip includes 5 nights accommodations, meals at the lodge, all beverages (alcoholic and non), 4 days guided fishing, taxes and fishing license. Also included daily cash prizes and an El Salto tournament golf shirt.

Typical fishing days begin at 500am with a wakeup call and breakfast, on the water at the break of dawn, 5 hours of morning fishing, a break for lunch and siesta, then back on the water at 130 pm until dusk. We then meet for happy hour, dinner and awards to conclude each days activities.

Join us for Great Fun! Great Fishing! Lots of laughs! Cash Prizes!

Right now we already have 15 committed for the 2016 tournament. We have room for nine more. If interested contact Harry at 541 790 1076 or send him an email harry@oregonfast.net
