JOIN US!

With the US\$ being so strong against the NZ\$ (73 cents to the \$) we have decided to take advantage of the best conversion rate in over 10 years. Join Harry and Joan Gualco as they return to one of their favorite places in the world. This trip will encompass a total of 13 nights and will begin on North Island where we will spend three days and nights sightseeing and exploring Auckland and its environs. We will visit and experience the Maori culture first hand. We will also spend time on a city tour of Auckland. We will also set sail to Waitheke Island where we will tour, taste and visit with three of New Zealand's premium winery's where the wine and olive oil is reputed to be some of the best available anywhere. We will then wing our way to Taupo and Tongariro Lodge where we will be hosted by owner and personal friend Tony Hayes and his staff. We will spend five nights at Tongariro Lodge where we will pursue trophy rainbow and brown trout from the rivers, streams and lakes in the area. Non anglers will have their choice of many activities some of which are included in our package and some customized at an extra cost. Our trip will conclude in Queenstown, South Island where we will again spend three nights before winging our way home. There is so much to do in Queenstown that we will leave these three days as free days to do as you like.
